Urgo Healthcare is accelerating its European growth with a third acquisition in 2025!

Urgo Healthcare, a subsidiary of the URGO Group, has acquired a majority stake in the Spanish company Nutriexperts. This transaction marks the culmination of a year of unprecedented growth for the group.

Briac Le Lous, Chairman of Urgo Healthcare, said: *“2025 is a historic year for our group: three acquisitions in less than twelve months! We are thus strengthening our presence in Europe to provide our customers with ever more innovative and high-quality solutions in the premium food supplement sector. Rodrigo Cernadas and David Garcia, the founders of Nutriexperts, have embarked on an exceptional entrepreneurial journey, and I am delighted to be able to share it with them!”*

An immediate shift in scale across Europe

By acquiring Vista-Life Pharma (Belgium), MyBestPharm (Poland) and, most recently, Nutriexperts (Spain), Urgo Healthcare has significantly expanded its scope in 2025:

- **€40 million in additional turnover** (consolidated across the three entities).
- **An expanded product range featuring 75 new products**
- **Brands that have become market leaders in Poland and Spain**
- Expertise in digital education and a direct connection with patients
- **The integration of new talent;** with Nutriexperts, 20 experts in dietary supplements are joining our teams.

Based in Catalonia, Nutriexperts is strengthening our presence in Southern Europe. Nutriexperts is set to achieve a turnover of **€25 million in 2025**. Its **Nutralie brand, available in 4,500 Spanish pharmacies**, has become a leading brand in Spain within just a few years, thanks to premium-quality formulations such as Glucosamine Complex. Nutralie has also established a strong foothold in the rapidly growing French and Italian markets.

Rodrigo Cernadas and David Garcia, founders of Nutriexperts, said: *“We are delighted to be joining the URGO Group! This is a major milestone that will enable us to accelerate our growth in Spain and across Europe. We are excited about the future. Our strong team is ready to build on the success of Nutralie and Nutriexperts in new markets!”*

¡Urgo Healthcare acelera su crecimiento europeo con una tercera adquisición en 2025!

Urgo Healthcare, filial del Grupo URGO, ha adquirido una participación mayoritaria en la empresa española Nutriexperts. Esta operación marca la culminación de un año de crecimiento sin precedentes para el grupo.

Briac Le Lous, Presidente de Urgo Healthcare, declaró: *«2025 es un año histórico para nuestro grupo: ¡tres adquisiciones en menos de doce meses! De este modo, reforzamos nuestra presencia en Europa para ofrecer a nuestros clientes soluciones cada vez más innovadoras y de alta calidad en el ámbito de los complementos alimenticios **premium**. Rodrigo Cernadas y David García, fundadores de Nutriexperts, han liderado una trayectoria empresarial excepcional, y estoy encantado de poder compartirla con ellos».*

Un cambio de escala inmediato en Europa

Con la integración de **Vista-Life Pharma** (Bélgica), **MyBestPharm** (Polonia) y ahora **Nutriexperts** (España), Urgo Healthcare ha ampliado significativamente su alcance para 2025:

- **40 millones de euros en ingresos adicionales** (consolidados entre las tres entidades).
- **Una gama de productos mejorada con 75 nuevos productos**
- **Marcas** que se han convertido en referentes en Polonia y España
- Experiencia en formación digital e interacción directa con el paciente
- **La integración de nuevos talentos**; con Nutriexperts, 20 expertos en suplementos dietéticos se unen a nuestros equipos

Con sede en Cataluña, Nutriexperts refuerza nuestra presencia en el sur de Europa. Se prevé que Nutriexperts genere **25 millones de euros** en ingresos para 2025. Su marca **Nutralie**, **disponible en 4.500 farmacias españolas**, se ha convertido en una marca líder en España en tan solo unos años, gracias a fórmulas premium como Glucosamine Complex. Nutralie también ha tomado posiciones en los mercados francés e italiano en rápido crecimiento.

Rodrigo Cernadas y David García, fundadores de Nutriexperts, declaran: *«¡Estamos encantados de formar parte del Grupo URGO! Este es un paso importante que nos permitirá acelerar nuestro crecimiento en España y Europa. Nos ilusiona el futuro. Nuestro sólido equipo está listo para continuar el éxito de Nutralie y Nutriexperts en nuevos mercados».*
